The **Father Ken Martin Golf Outing & Dinner** will be held on September 3rd in Davenport at Emeis Golf Course and the Elk's Club. This year marks the 20th anniversary of the event held in memory of Fr. Kenny Martin who served as a priest in the Diocese of Davenport for over 45 years before passing away in 1986. Recognizing his faithful commitment to Catholic schools, Kenny's golfing buddies created this fundraising event. To date over \$200,000 has been raised in support of Catholic schools in Scott County. Funds raised from this event are deposited to the Assumption Foundation for K-12 Catholic Schools. Families facing crisis and emergency situations and who have children attending any one of the Catholic schools in Scott County can apply for grants through the school principal or pastor of their parish. Please contact Jim or Diane Tiedje at this time at 563-391-2820 to see how you might become a supporter. A registration leaflet for the golf outing and dinner events will

HOLY HOUR FOR VOCATIONS

Are you concerned about the shortage of priests, deacons and religious vocations in our Church? What are **YOU** willing to do about it? A good start is for us to join together and pray! A Holy Hour to pray for vocations will take place on Tuesday, August 12 at Our Lady of the River Church in LeClaire starting at 7 PM. This "Hour of Prayer" is being sponsored by all the Knights of Columbus in our area but all parishioners are encouraged to attend. Plan to attend with your children and invite your friends to pray that "the Lord of the harvest to send out laborers for his harvest."

God Bless

The Diocese of Davenport is seeking volunteers to become case managers to work with local aid agencies in helping guide flood survivors through the long and difficult process of restoring some degree normalcy to their lives.

Volunteer case managers would work under the direction of professionals to assist survivors in developing their own recovery plan, integrating self-help with available aid, to step-by-step recover from their losses. Following a disaster, traditional aid agencies are overwhelmed; thus the need for volunteers. Plans for this effort are contingent upon having an adequate number of volunteers willing to undertake this long-term commitment (18-24 months). If we have sufficient volunteers, determined by the number of cases in each area, the Diocese will arrange for training with another agency. If you think you could serve in this role or would like more information, please contact us at
